

Lecturer in Pharmacology

Reading School of Pharmacy, University of Reading

Reference number: LE09023

Payscale: £33,432 - £44,930 per annum

Our growing School of Pharmacy seeks a talented and ambitious individual to join our Pharmacology section which has existing strengths in regenerative, cardiovascular and neuroscience research.

In our purpose built, state of the art facilities you will develop your independent research programme in an area which complements our research strengths. Joining our committed team, you will contribute to teaching pharmacology and therapeutics to Pharmacy undergraduate students.

Applications should include a two-page outline of proposed research activity.
